

Three Oaks Middle School

Mr. Knecht &

Vocal Curriculum Order Form

Advanced Mentor Pro-Voice Studios has created an extensive, detailed vocal curriculum to be used by all students at Three Oaks Middle School. Our approach is grounded with scientific facts and functions of the body. Each student is educated in voice physiology and function through the use of technical exercises, easy to understand scientific modules and various visuals. This curriculum, when used with a trained Floridasings!!! vocal coach using “The Connected Voice” TCV™ technique will be custom designed to fit each individuals needs. This curriculum satisfies many of the Sunshine State Standards for Music Education. Please visit the following websites for more information.

www.advancedmentor.com & www.floridasings.com

The goal of our vocal curriculum is to develop correct singing coordination and in that coordination build strength. “The Connected Voice” –TCV™ technique has been proven over and over. Students using the technique have been given recording contracts for movies, television, radio, commercials and lead roles in plays and on Broadway, thousands of dollars in scholarships to highly acclaimed universities.
